LIST OF TABLES	ix
LIST OF FIGURES	xi
EXECUTIVE SUMMARY	1
<b>1. MARKET</b>	<b>5</b>
1.1 Scope and definition	5
1.1.1 Revisions	5
1.1.2 Estimates for clinics	5
1.1.3 Market shares	5
1.2 Private acute medical care providers – market size	6
1.3 Private acute medical hospitals and clinics market	7
1.3.1 Market size and growth trends	7
1.3.2 Provider market shares	9
1.4 Private patients only hospital market	9
1.4.1 Market size and growth trends	9
1.5 NHS Private Patients	12
1.5.1 Market size and growth trends	12
1.5.2 Regional trends	14
1.5.3 Future trends and prospects	15
1.6 Other private acute medical care components	16
1.6.1 Screening	16
1.6.2 Fertility treatments	17
1.6.3 Pregnancy terminations	19
1.7 Specialists’ private practice fee income	21
1.8 Funding by payor type – independent acute healthcare hospitals and clinics	22
1.8.1 Self-pay spending – non-cosmetic spending and cosmetic surgery revenues	23
1.9 Private acute medical care – market structure and activity overview	24
1.9.1 Regional breakdown of capacity – mainstream independent sector hospitals	24
1.9.2 Sub-regional capacity in London, the South East and East of England	25
1.9.3 Capacity trends over time – independent sector hospitals and clinics	26
1.10 Activity – independent sector’s patient admissions	27
1.10.1 Mainstream hospitals (with inpatient/overnight bed capacity) activity data	27
1.10.2 Independent sector’s share of admissions	28
1.11 Market structure of Private Patient Units and structural trends	29
1.11.1 Regional structural trends	29
1.12 Staffing – Specialists	30

---

1.12.1 Consultant supply and private practice	31
1.12.2 Future supply of private practice	31
1.13 Performance measures	34
1.13.1 Profitability of the independent sector	34
1.13.2 Quality – CQC judgements	36
<b>2. POLITICS AND REGULATION</b>	<b>39</b>
2.1 Politics – past, present and future	39
2.1.1 Emergence and development of private acute medical care 1973–1997	39
2.1.2 Philosophical opposition to private healthcare under Labour 1997–2000	40
2.1.3 Engaging the independent sector to upscale NHS performance 2000–2010	40
2.1.4 The Coalition government – reforms in action, 2010–2015	41
2.1.5 Political environment for the NHS under the Conservatives, 2015 onwards	42
2.1.5.1 NHS performance under the Conservatives and future funding	43
2.1.5.2 The development of choice for patients and use of the independent sector	45
2.1.5.3 Commissioning and NHS outsourcing partnerships	47
2.1.6 Labour Party policy for the NHS in 2018	49
2.2 Regulation of the independent acute medical care sector	49
2.2.1 Overview	49
2.2.2 Regulation of quality standards by the Care Quality Commission	51
2.2.2.1 Scope of independent acute medical care regulation in England	51
2.2.2.2 Outside the scope of regulation	51
2.2.2.3 The essential standards in England	52
2.2.2.4 Care Quality Commission developments for independent acute hospitals and clinics	52
2.2.3 Monitor and NHS improvement	55
2.2.3.1 Licensing	55
2.2.3.2 Setting NHS prices	56
2.2.4 Competition investigations	56
2.2.4.1 Office of Fair Trading	56
2.2.4.2 Competition and Markets Authority (previously Competition Commission)	57
2.2.4.3 Remedies and author’s view	58
2.2.4.4 Remittal and appeals	59
2.2.5 PHIN and performance data	60
<b>3. PAYORS</b>	<b>63</b>
3.1 Private medical cover	63
3.1.1 Recent trends in private medical cover	63
3.1.2 Private medical cover market structure	65
3.1.3 Future prospects for private medical cover	66
3.2 NHS purchasing	67
3.2.1 Market value and trends	67
3.2.2 Activity and provider shares – hospital admissions	69

3.2.3	Admissions by specialty	72
3.2.4	Activity and provider shares – diagnostics	73
3.2.5	Future prospects and trends	75
3.2.5.1	Independent sector providers and patient choice	75
3.3	Self-pay patients	77
3.3.1	Market value, & growth trends	77
3.3.2	Regional trends – London versus the rest of UK	79
3.3.3	Provider self-pay trends	80
3.3.4	Historic trends	81
3.3.5	NHS performance – waiting and treatment restrictions	81
3.3.6	Future prospects and trends	86
3.3.7	Cosmetic surgery	87
3.3.8	Cosmetic surgery – future prospects and trends	89
3.4	Overseas	89
3.4.1	Market size and growth trends	89
3.4.2	Projections and prospects	90
<b>4.</b>	<b>MAJOR PROVIDERS</b>	<b>93</b>
4.1	Independent sector – market concentration and shares	93
4.2	Independent sector – provider type	96
4.3	New independent acute medical capacity and structural trends	97
4.3.1	Capital investment by incumbents	100
4.3.2	Full-service & specialist inpatient acute hospitals	101
4.3.3	Day surgery only including specialist facilities	103
4.3.4	Outpatient and diagnostic clinics	104
4.3.5	Specialist outpatient clinics	105
4.3.6	NHS acute services managed by independent sector	107
4.4	NHS providers – private income market shares	108
4.4.1	Specialisation	110
4.4.2	New PPUs including partnerships	110
4.5	Other acute markets	112
4.5.1	Screening	112
4.5.2	Fertility	113
4.5.3	Pregnancy Terminations	115
4.6	Independent sector – major provider profiles	116
4.6.1	BMI Healthcare	116
4.6.2	Spire Healthcare	118
4.6.3	HCA	121
4.6.4	Nuffield Health	123
4.6.5	Ramsay Health Care	125
4.6.6	Care UK	127
4.6.7	The London Clinic	129

4.6.8 Aspen Healthcare	130
4.6.9 Circle	132
4.6.10 Bupa Cromwell	134
<b>5. INVESTORS</b>	<b>137</b>
5.1 Major investor review	137
5.1.1 Netcare	138
5.1.2 Mediclinic International	138
5.1.3 HCA Healthcare Inc.	139
5.1.4 Tenet Healthcare Corporation	139
5.1.5 Bridgepoint Capital	139
5.1.6 Toscafund/Penta Capital	140
5.1.7 Aurelius	140
5.1.8 Fidelity International	140
5.1.9 RCapital	141
5.1.10 BlueGem Capital Partners	141
5.1.11 Life Healthcare	141
5.1.12 China Resources Group/Macquarie Group	141
5.1.13 Apposite Capital	142
5.1.14 CBPE Capital	142
5.2 Recent acquisitions	142
<b>6. MARKET POTENTIAL</b>	<b>145</b>
6.1 Demand	145
6.2 Supply	146
<b>APPENDIX 1 – GLOSSARY</b>	<b>149</b>
<b>APPENDIX 2 – KEY LEGISLATION</b>	<b>153</b>
<b>APPENDIX 3 – REGULATORS</b>	<b>155</b>
<b>APPENDIX 4 – TRADE ASSOCIATIONS</b>	<b>157</b>
<b>APPENDIX 5 – LIST OF PRIVATE PATIENT UNITS (WITH OVERNIGHT BEDS)</b>	<b>159</b>
<b>APPENDIX 6 – FINAL CONCLUSIONS OF THE CMA’S INVESTIGATION INTO PRIVATE HEALTHCARE</b>	<b>163</b>
<b>APPENDIX 7 – FINANCIAL APPENDIX</b>	<b>167</b>

## LIST OF TABLES

Table 1.1	Private acute medical care hospital market value (independent acute medical hospitals and clinics and NHS private patients) in the UK, 2003–2016 & 2017 projections	7
Table 1.2	Private patients only hospital market value (independent acute medical hospitals and clinics' private patients and NHS private patients) in the UK, 2003–2016 & 2017 projections	11
Table 1.3	NHS private patient revenues in UK, private patient volumes in the NHS in England, and % of NHS finished consultant episodes in England, 1990/91–2016/17	13
Table 1.4	NHS private patient revenues by UK region, and real growth, £million, 2013/14–2016/17	15
Table 1.5	Screening spending (market size) UK, real growth, and real index, 2000–2016	17
Table 1.6	Trends in fertility treatment, all sectors UK, 1991–2016/17	18
Table 1.7	Number of independent sector abortions in England & Wales, and estimated UK independent sector clinic revenues, 2003–2016	19
Table 1.8	Independent acute medical hospitals and clinics UK market value, and revenues by purchaser, 2003–2016 & 2017 projections	23
Table 1.9	Regional share of UK 'mainstream' independent acute medical care hospitals, share of overnight bed capacity, and share of operating theatres, January 2018	25
Table 1.10	Independent acute medical care hospitals and beds, UK 1981–2018	26
Table 1.11	Patient admissions in mainstream hospitals (with overnight bed capacity), by type of admission and hospital type in the UK, calendar 2017	27
Table 1.12	Regional breakdown of PPUs with overnight bed capacity, UK, January 2018	30
Table 1.13	EBITDAR margin and pre-tax profit/loss margin for major for-profit hospital operating companies – latest accounting period, and previous year shown in brackets	34
Table 1.14	Breakdown of (latest) CQC quality assessments of services provided by core independent hospitals in England (independent hospitals with inpatient facilities + day surgery hospitals of leading independent hospital groups), as at start of March 2018, covering 183 hospitals	36
Table 1.15	Overall (latest) CQC quality assessments for core independent hospitals in England (independent hospitals with inpatient facilities + day surgery hospitals of leading independent hospital groups) by hospital provider, as at start of March 2018, covering 183 hospitals	36
Table 2.1	CQC quality ratings for independent sector acute hospitals in England, 206 hospital locations as at 2 January 2018	53
Table 2.2	NHS tariff changes 2014/15–2016/17	56
Table 3.1	Private medical cover persons covered, payouts (claims paid), and average price for private medical cover policy, 1995–2016	64

Table 3.2	NHS purchasing of UK independent acute medical care services, 2003–2016 & 2017 Projections	68
Table 3.3	NHS funded hospital admissions for acute medical care in the independent sector in England, 2004/05 – 2016/17 & 2017/18 April to December	70
Table 3.4	NHS funded admissions treated by independent sector (IS) providers by type of speciality in 2016/17 – specialty share, proportion of all NHS admissions, and annual growth	73
Table 3.5	NHS funded (provider based) diagnostic procedures carried out by the independent sector in England, 2009/10–2016/17	74
Table 3.6	Private self-pay spending on acute medical care services in independent sector hospitals and clinics in UK, including non-cosmetic and cosmetic split, 2003–2016 & 2017 projections	78
Table 3.7	Proportion of self-financed treatment episodes in independent hospitals for 1981–1997/98 (England and Wales), 2001–2016 (UK)	81
Table 4.1	Capacity of major acute medical care hospital operators by number of overnight hospitals, overnight (inpatient) beds, and total operating theatres (OTs) in all facilities, January 2018	93
Table 4.2	Top 20 independent acute medical care hospital providers by revenue, 2011–2016 (calendar year unless otherwise stated), and 2016 market share	94
Table 4.3	Bed and revenue shares of the UK independent acute medical care hospital sector (excluding day only operators/facilities) by ownership group, 2016 & 2018	96
Table 4.4	New independent acute medical care facilities in the UK by region, service type (full-service or specialist) and treatment type (inpatient/day/outpatient), from 2014 onwards	97
Table 4.5	Future new independent acute medical care facilities in the UK by region, service type (full-service or specialist) and treatment type (inpatient/day/outpatient), from 2018 onwards	99
Table 4.6	Top 30 private patient Trust earners, annual growth and % share of UK NHS market, 2016/17 and 2015/16	109
Table 4.6	Revenues of leading specialist IVF providers in the UK, 2015–2017	114
Table 5.1	Main investors in the UK private acute medical care market, including source country, and investment start, at March 2018	137
Table 5.2	Significant acquisitions in the UK private acute medical care market, 2016 onwards	143
Table A5	List of dedicated NHS pay bed units, January 2018 by region, and management type	159
Table A6.1	Competition and Markets Authority Investigation into Private Healthcare – Final Conclusions, April 2014	163
Table A6.2	Remedies Recommended by the Competition and Markets Authority, April 2014	164

## LIST OF FIGURES

Figure 1.1	UK private acute medical care market value by component, 2016	6
Figure 1.2	Market shares (%) of the UK private acute medical care hospital market (independent sector hospitals and clinics + NHS private patient revenues) by provider, 2016	9
Figure 1.3	Real value index – UK private acute medical care market, & private patient only (PPO) hospital market, 2003–2016	10
Figure 1.4	Market shares of the UK PPO hospital market by provider, 2016	12
Figure 1.5	Legal abortions carried out in England and Wales 1968–2016	20
Figure 1.6	Segmentation of public and private activity: abortions, England and Wales residents 2016	20
Figure 1.7	Capacity indicators (overnight hospitals (H), overnight beds (B) & operating theatres (OT)) by sub-region in London, the South East & East of England, January 2018	25
Figure 1.8	UK hospital (inpatient and day case) surgical activity breakdown by type of hospital supply (public NHS or private) and type of funding (public NHS or private), 1986–2017	28
Figure 1.9	EBITDAR margin of leading independent sector hospital groups, 2008–2016	35
Figure 3.1	Market shares for total private medical cover market spending: insured premium income plus self-insured (Healthcare Trusts) derived spending combined, calendar 2016	65
Figure 3.2	Market shares (%) of NHS revenues generated by independent sector hospitals and clinics by provider, 2016	69
Figure 3.3	Monthly NHS funded elective surgery (provider based) admissions in independent sector in England, January 2013 – December 2017	71
Figure 3.4	NHS funded acute medical care hospital admissions in independent sector in England in 2016/17 by provider (2015/16 in brackets)	71
Figure 3.5	NHS funded admissions treated by independent sector (IS) providers by type of specialty, 2016/17	72
Figure 3.6	NHS funded diagnostic procedures provider in the independent sector in England by provider group, 2016/17 (2015/16 in brackets)	74
Figure 3.7	London GVA (Gross Value Added) growth and Rest of UK GVA growth, 1998–2016	80
Figure 3.8	Number of NHS patients waiting for start of treatment, and average (median) time waited in England, March 2008 – December 2017	82
Figure 3.9	Waiting time from GP referral to hospital treatment for NHS admitted patients in England – Average (median) number of weeks of waiting and percentage of patients waiting more than 18 weeks, March 2008 – December 2017	83
Figure 3.10	Average (median), lowest and highest number of weeks of waiting from GP referral to treatment (admission) on NHS by region, October 2017	84

Figure 3.11	Average (median) waiting time from GP referral to hospital treatment for NHS admitted patients in England at October 2017 by type of treatment, and percentage change in average waiting over the past 60 months (October 2012 to October 2017)	85
Figure 3.12	Annual growth in plastic surgery procedures reported by BAAPS members, 2004–2017	88
Figure 3.13	Share of plastic surgery activity carried out by BAAPS members by type of procedure, 2011 and 2016	88
Figure 4.1	Market shares of Top ten hospital providers in private patient only independent acute medical care market, UK, 2016	95
