LIST OF FIGURES	xi
EXECUTIVE SUMMARY	1
1. MARKET	3
1.1 Summary overview	4
1.1.1 Value of UK 'high street' dentistry	4
1.1.1.1 Value of corporate 'high street' dentistry	4
1.1.2 Market supply of UK dentistry	4
1.1.2.1 Supply headline trends	5
1.1.3 Market demand for dentistry	6
1.1.3.1 Demand headline trends	7
1.1.4 Future trends in UK dentistry	8
1.2 Market demand	9
1.2.1 Factors affecting demand for dentistry	10
1.2.2 Penetration of dentistry demand	11
2. POLITICS AND REGULATION	15
2.1 Conservatives 2015 onwards	15
2.1.1 Future NHS budgets and new ten year plan	16
2.1.2 Prevention and oral health	16
2.1.3 Integrated care and accountable care	18
2.1.4 NHS access and treatments	19
2.1.5 New dentistry contract	20
2.1.6 Dentistry workforce	23
2.2 Historical government policy	24
2.2.1 1990 reforms – The new dentist contract	24
2.2.2 1996 reforms	24
2.2.3 Policy under Labour – From 1997 to the 2006 reforms	25
2.2.4 Policy under Labour – The 2006 reforms	28
2.2.5 Coalition policy for NHS dentistry	31
2.3 Government policy in Scotland	33
2.3.1 Current developments	33
2.3.2 Historical policy	34
2.4 Government policy in Wales	34
2.5 Government policy in Northern Ireland	36
2.6 Regulation of dentistry – introduction and current developments	37
2.6.1 Streamlining regulation of healthcare professionals	37

2.6.2	Streamlined regulation of dental practices in England	38
2.7	Care Quality Commission	39
2.8	General Dental Council	40
2.9	Representative organisations (see also Appendix 4)	41
2.9.1	British Dental Association	41
2.9.2	Faculty of General Dental Practice	41
2.9.3	Dental Fusion Organisation	42
2.9.4	Association of Dental Groups	42
2.10	OFT investigation into dentistry	42
2.10.1	OFT recommendations and actions	44
3.	PAYORS	47
3.1	NHS high street dentistry	47
3.1.1	Demand met by the NHS	47
3.1.2	Patients seen on the NHS in England	48
3.1.2.1	Current trends	48
3.1.2.2	Historical trends	50
3.1.2.3	Regional trends	51
3.1.3	Patients seen on the NHS in Scotland and Wales, and 'health service' in Northern Ireland	51
3.1.4	Treatment activity in England – UDAs and UOAs	53
3.1.4.1	UDA trends	53
3.1.4.2	Trends in UDA bands	54
3.1.4.3	Regional picture of UDAs in England	55
3.1.4.4	Units of Orthodontic Activity (UOAs)	57
3.1.5	Treatment activity in Scotland, Wales and Northern Ireland	58
3.1.5.1	UDAs in Wales	58
3.1.5.2	Courses of treatment in Scotland	58
3.1.5.3	Dental treatments in Northern Ireland	58
3.1.6	Spending on high street NHS dentistry	58
3.1.6.1	Current trends in spending	58
3.1.6.2	Regional spending and contract clawback trends in England	61
3.2	Private dentistry	63
3.2.1	Introduction	63
3.2.2	Private dentistry demand trends	64
3.2.2.1	Private dentistry activity trends – private patients seen by dentists	64
3.2.2.2	Growth in private dentistry	65
3.2.3	Factors influencing private demand	66
3.2.3.1	Main drivers	66
3.2.3.2	Cosmetic dentistry driver	68
3.2.3.3	Age and social grade	69
3.2.4	Private supply trends	70
3.2.5	Future trends for private dentistry	73

3.2.6	Dental plans	74
3.2.6.1	Plan types	75
3.2.6.2	Dental plan market	76
3.2.6.3	The market providers	87
3.2.6.4	An international comparison – United States	96
4.	MAJOR PROVIDERS	99
4.1	‘High street’ dental practices	99
4.1.1	Growth in the supply of high street dental practices	100
4.1.2	Practice characteristics	101
4.1.3	Supply trends – Dentists and dental care professionals	101
4.1.3.1	Dentist supply trends	102
4.1.3.2	Regional variations in the supply of NHS high street dentists	104
4.1.3.3	Provider performer <i>versus</i> associates	107
4.1.3.4	Dentist education trends	107
4.1.3.5	New dentist registrations	108
4.1.3.6	Dental care professionals	109
4.1.3.7	Dental specialists	110
4.1.4	Recruitment difficulties and shortage of dentistry labour	110
4.2	Corporate dentistry	114
4.2.1	Size of the UK corporate dentistry market	114
4.2.1.1	Key statistics	114
4.2.1.2	Growth and consolidation between 2014 and 2018	116
4.3	Profitability	123
5.	INVESTORS	127
5.1	Current trends and the role of private equity in UK dentistry	127
5.2	Historical trends	127
5.3	List of UK dental group major equity investors	129
5.3.1	Apposite Capital	129
5.3.2	August Equity	130
5.3.3	Carlyle Group	130
5.3.4	CBPE Capital	130
5.3.5	Core Equity Holdings	131
5.3.6	Jacobs Holding AG	131
5.3.7	Palamon Capital Partners	131
5.4	Private equity within global dentistry markets	132
5.4.1	Private equity in the European dentistry market	132
5.4.2	Private equity in the United States and Canadian dentistry market	134
6.	MARKET POTENTIAL	137

APPENDIX 1. GLOSSARY	141
APPENDIX 2. SURVEY METHODOLOGY & REVISIONS	147
APPENDIX 3. REFERENCES	149
APPENDIX 4. TRADE BODIES	151
APPENDIX 5. MAJOR PROVIDERS	155
APPENDIX 6. FINANCIAL APPENDIX	185

LIST OF TABLES

Table 1.1	Value of the UK 'high street' dentistry market by funding sector, £m, 2006/07 to 2017/18	3
Table 1.2	Proportion of people visiting a dentist in the last year by age group, 2017 (Adults) and 2013 (Children)	13
Table 1.3	Percentage of adults who said they went to a dentist in the last year, 2017	14
Table 2.1	Inspection outcome as a % of dental practices by region in England during 2017/18	40
Table 3.1	Type of care received by adults (aged 15+ years) on last visit to dentist (covering people who go at least once every two years), 2011, 2014 and 2017	47
Table 3.2	Type of dental care received during last course of treatment in England, 1998 and 2009	48
Table 3.3	Demand met for NHS primary care dentistry – NHS registrations in England and Wales 1990/91-2005/06, patients seen in England 2006/07-2017/18	49
Table 3.4	Patients participating in NHS dentistry in Scotland in the last 24 months, NHS patients seen in last 24 months in Wales, and dental practice 'health service' registrations in Northern Ireland, 2006/07 – 2017/18	52
Table 3.5	NHS high street dentistry Units of Dental Activity (UDAs, millions) in England by user group, 2006/07-2017/18	54
Table 3.6	NHS high street dentistry Units of Dental Activity (UDAs, millions) in England by treatment group, 2006/07-2017/18	54
Table 3.7	UDAs per 100,000 people in 2016/2017 by NHS commissioning region in England and category of treatment	57
Table 3.8	Total spending on NHS dentistry and real growth in England, Scotland, Wales, Northern Ireland (health services), and UK, 2006/07 – 2017/18	59
Table 3.9	Patient spending (NHS charges paid) on NHS dentistry and real growth in England, Scotland, Wales, Northern Ireland (health services), and UK, 2006/07 – 2017/18	60
Table 3.10	Government spending (total spending less NHS patient charges paid) on NHS dentistry and real growth in England, Scotland, Wales, Northern Ireland (health services), and UK, 2006/07 – 2017/18	61
Table 3.11	Value of NHS high street dentistry (GDS and PDS contracts) and value of contract clawbacks in England by region, 2017/18	62
Table 3.12	Proportion of adults receiving private dental care on last visit to dentist, 2012-2017 (+ last course of treatment, 1988-2009)	64
Table 3.13	Movement in the number of private patients visiting dental practices treating private patients over the last year, at Autumn 2017, % of practices	65
Table 3.14	Average cosmetic procedures carried out in 2017 across practices surveyed by the American Academy of Cosmetic Dentistry	69

Table 3.15	Proportion of adults receiving private dental care on last visit to dentist, by age range, 2017	70
Table 3.16	Proportion of adults receiving private dental care on last visit to dentist, by social grade, 2017	70
Table 3.17	Number of dental plan people covered, subscriptions earned, and claims paid, UK 2004-2017 including 2020 (three-year) projection	77
Table 3.18	Company paid and individually paid dental plan people covered (000s) and subscriptions earned (£m), UK, 2007-2017	79
Table 3.19	Average prices, and real price inflation (based on CPI) for dental capitation and dental insurance, 2008- 2017	82
Table 3.20	Dental plan providers in the UK at November 2018	88
Table 4.1	Characteristics of the average dental practice, Autumn 2017	101
Table 4.2	Number of qualified persons registered to practice dentistry in the UK, at 31 December 1970–2017	102
Table 4.3	Dentists contracted to provide NHS primary care dentistry by country, 1985 – 2018	103
Table 4.4	Density of NHS primary care dentists by CCG, 2016/2017	106
Table 4.5	Number of dentists and dental care professionals registered in the UK, at 31 December 2017, with 3 year, 5 year and 7 year CAGRs	109
Table 4.6	Penetration of corporate dentistry and leading corporates by value, including NHS and private market shares of UK high street dentistry market, for 2017/2018	115
Table 4.7	'Then and now' – Top 40 UK corporate dentistry practices by group and area including practice market shares, at February 2014 and August 2018	116
Table 4.8	Revenues of major UK dental group companies, £m, 2013/14 – 2017/18	118
Table 4.9	Major corporate consolidation acquisitions since 2000	122
Table 4.10	EBITDAR margin and pre-tax profit/loss margin for major for-profit dentistry group operating companies – latest accounting period, and previous year shown in brackets	124
Table 4.11	Average profit per principal by type of practice, 2016/17	125
Table 5.1	Sale of the top five corporate dentistry groups in the 2000s and 2010s	128
Table 5.2	Current major private equity investments in dental groups in Europe and United States/ Canada	133

LIST OF FIGURES

Figure 1.1	Time since last visit to dentist for adults, 2017, 2015, 2014 and 2011	12
Figure 1.2	Reported time since last visit to dentist for adults, 2009 (England, Wales and Northern Ireland) and 1998 (UK)	12
Figure 3.1	Adult and child NHS registrations in England and Wales, 1991/92 – 2005/06, and adult and child patients seen in England, 2005/06 – 2017/18	50
Figure 3.2	NHS adult patients seen in the previous 24 months at 31 March 2018 as a proportion of the population, and NHS child patients (under 18s) seen in the previous 12 months at 31 March 2018 as a proportion of the population by Clinical Commissioning Group (CCG) area	51
Figure 3.3	Proportion (%) of the population with NHS dentistry – Scotland (participating), Wales (patients seen), and Northern Ireland (practice registrations), 2012/13 to 2017/18	52
Figure 3.4	Share of UDAs in England across bands by user group – adults pay, adults non-pay, and child, 2012/13 and 2017/18	55
Figure 3.5	UDAs per 100,000 people in 2016/2017 by NHS commissioning region in England	56
Figure 3.6	Units of Orthodontic Activity in England, 2008/09 to 2017/18	56
Figure 3.7	‘Like for like’ nominal growth in private dentistry revenues for the two largest UK dental groups – IDH (mydentist) and Oasis Dental Care (now part of Bupa Dental), 2012/13 to 2017/18	66
Figure 3.8	Reasons for using private dentistry, as reported by adult patients in the UK (excluding Scotland) in 2009	67
Figure 3.9	Consolidated searches for cosmetic dentistry procedures	68
Figure 3.10	Average proportion (%) of total hours spent on private dentistry by dentist type in England and Wales, 2006/07 – 2017/18	71
Figure 3.11	Percentage of practices providing levels of NHS care (BDA survey), 2013 and 2016	72
Figure 3.12	Proportion of adults going private during last course of dentistry treatment in the UK (excluding Scotland) by region in 2009	72
Figure 3.13	Private dental capitation (care or maintenance) plans offer from UK dental practices, by type of offer (excluding finance agreements), Autumn 2017	74
Figure 3.14	Persons covered by dental plans in the UK by type of plan, 2007 – 2017 (at end of year)	78
Figure 3.15	Persons covered by company paid and individual paid/employee paid dental plans in the UK, 2007 – 2017 (at end of year)	81
Figure 3.16	Real spending indices for UK dental plans by type of plan, 2007-2017 (2007=100, deflated by Consumer Price Index (CPI))	82
Figure 4.1	Breakdown of High Street Dental Practices by UK Region, August 2018	99

Figure 4.2	Population (adults + children) per high street dental practice by UK region, August 2018	100
Figure 4.3	Breakdown of UK registered dentistry professionals (dentists and dental care professionals) in 2017	101
Figure 4.4	Population per NHS dentist during 2016/2017 by NHS Commissioning Area in England, and the rest of the UK	105
Figure 4.5	Number of students accepted to read dentistry in the UK, 1980-2017	108
Figure 4.6	New UK dentist registrations by origin of qualification, 2011 to 2017	109
Figure 4.7	Average gross earnings and taxable income for dentist associates in England and Wales, 2006/2007 - 2016/2017	112
