

## TABLE OF CONTENTS

|  |             |
|--|-------------|
| <b>SPONSOR'S FOREWORD</b>  | <b>iii</b>  |
| <b>LIST OF TABLES</b>  | <b>xiii</b> |
| <b>LIST OF FIGURES</b>   | <b>xv</b>   |
| <b>HIGHLIGHTS AND EXECUTIVE SUMMARY</b>                            | <b>1</b>    |
| <b>1. MARKET</b>   | <b>19</b>   |
| 1.1 Market definition  | 19          |
| 1.2 Further context on market definitions                          | 21          |
| 1.2.1 Adult social care services                                   | 21          |
| 1.2.2 Non-residential adult social care services                   | 22          |
| 1.2.3 Complex care   | 23          |
| 1.2.4 Clinical homecare  | 24          |
| 1.2.5 NHS Community Health Services                                | 24          |
| 1.2.6 Informal care  | 25          |
| 1.2.6.1 Changes in families' willingness to provide informal care  | 26          |
| 1.3 Market size  | 26          |
| 1.3.1 Market value of homecare and supported living                | 27          |
| 1.3.2 Market value of 'other' non-residential social care services | 29          |
| 1.3.3 Market value of clinical homecare                            | 30          |
| 1.3.4 Market value of telecare and telehealth                      | 30          |
| 1.4 Segmentation   | 31          |
| 1.4.1 Segmentation of homecare and supported living                | 31          |
| 1.4.2 Segmentation of other non-residential care services          | 35          |
| 1.5 Market growth – historical                                     | 35          |
| 1.5.1 Background   | 35          |
| 1.5.2 Homecare and supported living                                | 37          |
| 1.5.2.1 Historical market value trends                             | 37          |
| 1.5.2.2 Historical local authority funded activity trends          | 39          |
| 1.5.2.3 Paucity of official data                                   | 43          |
| 1.5.2.4 Historical NHS funded activity trends                      | 43          |
| 1.5.3 Clinical homecare – historical market growth                 | 44          |
| 1.5.4 Telecare historical market growth                            | 45          |
| 1.6 Funding  | 45          |
| 1.6.1 Funding of homecare and supported living                     | 45          |
| 1.6.2 Funding of 'other' non-residential social care services      | 47          |
| 1.6.3 Funding of clinical homecare                                 | 47          |
| 1.6.4 Funding of telecare (Technology Enabled Care)                | 47          |
| 1.7 Supply and demand  | 47          |
| 1.7.1 Homecare volume of demand                                    | 48          |

---

|          |  |    |
|----------|--|----|
| 1.7.1.1  | Impact of Covid-19 on volume of demand for homecare                                  | 50 |
| 1.7.2    | Supported living volume of demand  | 51 |
| 1.7.2.1  | Impact of Covid-19 on volume of demand for supported living                          | 52 |
| 1.7.3    | Regional variations  | 53 |
| 1.7.4    | Balance of demand and supply – will workforce shortages constrain supply?            | 53 |
| 1.7.4.1  | Recruitment and retention – workforce statistics from Skills for Care                | 53 |
| 1.7.4.2  | Will labour availability be a hard constraint on future expansion of supply          | 57 |
| 1.7.4.3  | Inadequate rewards for enterprise as a constraint on expansion of supply             | 60 |
| 1.7.4.4  | Constraints on demand  | 60 |
| 1.8      | Drivers of demand – future growth prospects  | 61 |
| 1.8.1    | Homecare drivers of demand   | 61 |
| 1.8.1.1  | Demography   | 61 |
| 1.8.1.2  | Demographic counter drivers of demand for homecare                                   | 62 |
| 1.8.1.3  | Activities of daily living   | 64 |
| 1.8.1.4  | Financial resources  | 64 |
| 1.8.2    | Supported living drivers of demand   | 66 |
| 1.8.2.1  | Learning disabilities demand drivers   | 67 |
| 1.8.2.2  | Projections of supported living services for all younger adults                      | 69 |
| 1.8.3    | Clinical homecare drivers of demand  | 71 |
| 1.8.4    | Telecare (and telehealth) drivers of demand  | 73 |
| 1.8.4.1  | Barriers to adoption of telehealth at scale  | 75 |
| 1.8.4.2  | A broader view of telecare and telehealth technology embedded in a range of services | 75 |
| 1.9      | Homecare and supported living in Scotland and Wales                                  | 76 |
| 1.9.1    | Scotland   | 76 |
| 1.9.2    | Wales  | 78 |
| 1.10     | Business models – homecare and supported living                                      | 81 |
| 1.10.1   | Common features of all homecare and supported living business models                 | 81 |
| 1.10.1.1 | Asset-light business model   | 81 |
| 1.10.1.2 | Providers as intermediaries between care workers and customers                       | 81 |
| 1.10.1.3 | Low pay  | 82 |
| 1.10.2   | Full service (employed carers) or introduction only agencies (self-employed carers)  | 82 |
| 1.10.3   | Mainstream ‘time and task’ dispersed homecare (short duration visits)                | 83 |
| 1.10.4   | Live-in homecare   | 86 |
| 1.10.5   | Supported living and homecare delivered to clustered settings                        | 87 |
| 1.10.5.1 | Housing with care developments   | 87 |
| 1.10.5.2 | Supported living in clustered settings   | 89 |
| 1.10.6   | On-line platforms and tech-enabled homecare providers                                | 93 |
| 1.10.7   | Complex care   | 94 |
| 1.10.8   | Reablement   | 95 |
| 1.10.9   | Franchises   | 95 |
| 1.10.10  | Outcome-based commissioning  | 96 |

|           |   |            |
|-----------|---|------------|
| 1.10.11   | Clinical homecare   | 96         |
| 1.10.12   | Telecare and telehealth   | 97         |
| 1.11      | Key operational statistics  | 97         |
| 1.11.1    | Hourly charge-out rates   | 97         |
| 1.11.2    | Operating margins   | 100        |
| 1.12      | Performance measures  | 100        |
| 1.12.1    | EBITDA as a percentage of revenue   | 101        |
| 1.12.1.1  | Homecare EBITDA as a percentage of revenue  | 101        |
| 1.12.1.2  | Supported living EBITDA as a percentage of revenue  | 102        |
| 1.12.2    | CQC ratings in England  | 103        |
| 1.12.3    | Service user satisfaction in England  | 105        |
| <b>2.</b> | <b>GOVERNMENT POLICY AND REGULATION</b>   | <b>107</b> |
| 2.1       | History: emergence of the independent sector as the dominant supplier of adult social care services from the late 1970s | 107        |
| 2.1.1     | Emergence of a large scale, publicly financed homecare sector from 1993   | 108        |
| 2.1.2     | Benign financial environment 2003–2009  | 109        |
| 2.1.3     | Austerity 2011/12 –   | 109        |
| 2.1.4     | Why did outsourcing of social care become mainstream so rapidly?  | 109        |
| 2.2       | Policy context – much cross-party consensus, other than on funding  | 110        |
| 2.3       | Main areas of government policy which impact on the operating environment for homecare and supported living             | 111        |
| 2.4       | Public funding of social services   | 111        |
| 2.5       | Regulation of social services   | 111        |
| 2.5.1     | Underpinning legislation in England – Health and Social Care Act 2008   | 111        |
| 2.5.1.1   | Fundamental Standards   | 112        |
| 2.5.2     | Scotland, Wales and Northern Ireland  | 113        |
| 2.5.3     | Scope of regulation – services covered and not covered in England   | 113        |
| 2.5.4     | Scope of regulation in Wales and Scotland   | 114        |
| 2.5.5     | Registrable entities  | 115        |
| 2.5.6     | History of last two decades – deregulation accompanied by tougher enforcement   | 115        |
| 2.5.6.1   | Replacement of National Minimum Standards with less prescriptive Essential Standards                                    | 115        |
| 2.5.6.2   | Fundamental Standards of Quality and Safety 2014–   | 115        |
| 2.5.6.3   | Risks to providers from breaches of regulations and Fundamental Standards   | 116        |
| 2.5.6.4   | Stronger enforcement powers   | 116        |
| 2.5.6.5   | CQC market oversight regime   | 116        |
| 2.5.6.6   | CQC’s next phase of regulation consultation   | 117        |
| 2.5.6.7   | CQC’s new strategy for regulation – 2021  | 118        |
| 2.5.6.8   | Providers’ views of regulation  | 118        |
| 2.5.7     | Scotland’s rating system  | 119        |
| 2.6       | Regulation of payroll costs   | 119        |
| 2.6.1     | National Minimum Wage and National Living Wage  | 119        |

|           |  |            |
|-----------|--|------------|
| 2.6.2     | Pension legislation  | 121        |
| 2.7       | Integration of health and social care  | 121        |
| 2.7.1     | Integrated Care Systems and Accountable Care Organisations                                 | 122        |
| 2.7.2     | The Better Care Fund   | 122        |
| 2.7.3     | Scotland's health and social care integration policy                                       | 123        |
| 2.7.4     | Bed blocking – inadequate integration at the health and social care interface              | 123        |
| 2.8       | Other government policies relating to adult social care                                    | 126        |
| 2.8.1     | Personalisation & self-directed care: Direct Payments and personal budgets                 | 126        |
| 2.8.2     | Intermediate Care  | 129        |
| 2.8.3     | Charges for publicly funded non-residential care services                                  | 130        |
| 2.8.4     | National eligibility criteria  | 130        |
| 2.8.5     | Other aspects of The Care Act 2014   | 131        |
| 2.8.5.1   | General responsibilities of local authorities  | 131        |
| 2.8.5.2   | Market shaping – duty to promote diversity and quality and to ensure market sustainability | 132        |
| 2.8.5.3   | Assessment of need and eligibility criteria  | 132        |
| 2.8.5.4   | Duty of local authorities to meet needs for care and support                               | 132        |
| 2.8.5.5   | Duty to prepare personal budgets   | 133        |
| 2.8.5.6   | Contracting out of core local authority functions  | 133        |
| 2.8.6     | National Service Framework for older people and the single assessment process              | 133        |
| 2.8.7     | Consumer information to support choice   | 133        |
| 2.8.8     | Long-term care costs – a fair balance between the state and property owners                | 134        |
| <b>3.</b> | <b>PAYORS</b>  | <b>139</b> |
| 3.1       | Payor profile overview   | 139        |
| 3.1.1     | Supported living payor profile   | 139        |
| 3.1.2     | Homecare payor profile   | 139        |
| 3.2       | Financial environment by payor type  | 140        |
| 3.2.1     | Public funding – austerity not yet over for social care in 2021/22                         | 140        |
| 3.2.2     | The NHS and social care funding announcement in September 2021                             | 140        |
| 3.2.3     | Impact of a decade of austerity on public funding of social care                           | 143        |
| 3.2.4     | Expansion of supported housing – an exception to austerity                                 | 143        |
| 3.2.5     | Private funding  | 145        |
| 3.3       | Market dynamics by payor type – balance of market power                                    | 145        |
| 3.3.1     | Publicly funded services – exercise of monopsony purchasing power                          | 145        |
| 3.3.2     | Private and quasi-private consumers – market power balanced                                | 146        |
| 3.3.3     | Insurance and other intermediaries   | 146        |
| <b>4.</b> | <b>MARKET STRUCTURE</b>  | <b>147</b> |
| 4.1       | Market structure – homecare and supported living   | 147        |
| 4.1.1     | Provider sector and service type   | 147        |
| 4.1.2     | Spectrum of providers  | 148        |
| 4.1.3     | Absence of diversification among major homecare groups                                     | 150        |

|           |   |            |
|-----------|---|------------|
| 4.1.4     | Market concentration and market leaders by revenue                      | 150        |
| 4.1.5     | Limited consolidation   | 152        |
| 4.1.6     | Scale of individual services  | 154        |
| 4.1.7     | Exits and entries   | 156        |
| 4.1.7.1   | Exits   | 156        |
| 4.1.7.2   | Entries   | 160        |
| 4.1.8     | Business failures and recapitalisations                                 | 161        |
| 4.1.9     | Sources of capital  | 161        |
| 4.1.9.1   | Private equity  | 161        |
| 4.1.9.2   | Publicly traded companies   | 162        |
| 4.1.9.3   | Other sources of capital  | 162        |
| 4.1.10    | Segmentation by provider sector   | 162        |
| 4.1.11    | Economies of scale and scope  | 162        |
| 4.1.12    | Value of brands   | 163        |
| 4.1.13    | Diversification   | 163        |
| 4.2       | Market structure – clinical homecare                                    | 164        |
| 4.2.1     | Market concentration and market leaders by revenue                      | 164        |
| 4.2.2     | Consolidation   | 164        |
| 4.2.3     | Exits and entries   | 164        |
| 4.2.4     | Business failures and recapitalisations                                 | 165        |
| 4.2.5     | Sources of capital  | 165        |
| 4.2.6     | Segmentation by provider type   | 165        |
| 4.2.7     | Economies of scale and scope  | 165        |
| <b>5.</b> | <b>INVESTORS</b>  | <b>167</b> |
| 5.1       | Major transactions in the homecare and supported living space           | 167        |
| 5.2       | Current investors in homecare and supported living and their portfolios | 170        |
| 5.2.1     | AMP Capital   | 171        |
