## EXECUTIVE SUMMARY AND HIGHLIGHTS

- 1

## 1. THE RESEARCH IN CONTEXT

- 17
  - 1.1 Recent trends in private healthcare
  - 17
  - 1.2 Provider market shares
  - 20
  - 1.3 Recent trends in the insured market
  - 24
  - 1.4 Private practice fee income
  - 26
  - 1.5 Overview of the UK self-pay market
  - 30
    - 1.5.1 The regional picture
    - 35
  - 1.6 The cosmetic surgery market
  - 36
    - 1.6.1 Cosmetic surgery key findings
    - 36
    - 1.6.2 Cosmetic surgery growth drivers
    - 37
    - 1.6.3 Hair restoration surgery
    - 38
    - 1.6.4 International medical travel
    - 39
    - 1.6.5 Marketing cosmetic surgery
    - 39
    - 1.6.6 UK comparison with global trends in cosmetic surgery
    - 44
    - 1.6.7 The gender difference
    - 44
    - 1.6.8 Cosmetic surgery demand and supply including regional variation
    - 45

## 2. MARKET

- 45
  - 2.1 The role of the private medical insurers
  - 45
  - 2.2 The role of the NHS
  - 46
  - 2.3 Moves by major acute providers and others
  - 54
  - 2.4 The role of third-party administrators
  - 56
  - 2.5 The role of finance providers
  - 56
  - 2.6 Regulation and oversight
  - 57
    - 2.6.1 Care Quality Commission developments for independent acute hospitals and clinics
    - 58
      - 2.6.1.1 The CQC and the cosmetic market
      - 59
      - 2.6.1.2 CQC review of cosmetic providers 2019
      - 60

## 3. SURVEY AND RESEARCH ANALYSIS

- 63
  - 3.1 Survey feedback and responses: SurveyMonkey®
  - 64
3.1.1 What percentage of your total admissions (inpatient and day case) is self-pay? 64
3.1.2 Movement in the percentage of self-pay admissions over the last 12 months 64
3.1.3 What factors have affected the number of self-pay admissions during 2022? 65
3.1.4 If you offer a fixed-price surgery scheme, what does the price include? 65
3.1.5 What percentage of patients have needs or risk factors that lead you to charge something different to the published fixed price? 66
3.1.6 What do you think the impact of PHIN has been on informing and influencing patient choice? 66
3.1.7 What do you think the impact of PHIN has been on driving quality and outcomes of care? 67
3.1.8 How do you think PHIN’s work will affect your business and the self-pay market in the future? 67
3.1.9 What proportion of your marketing budget do you intend to allocate to the promotion of self-pay surgery? 68
3.1.10 In marketing self-pay surgery, which of the following marketing and promotional activities are you likely to use in the next 12 months? 68
3.1.11 Which of the following marketing and promotional activities do you feel are the most successful in attracting self-pay patients? Select the three most effective activities: 69
3.1.12 Prospects for the self-pay market over the next three years 69
3.1.13 What do you think will be the most important factors affecting the self-pay market over the next three years? 70
3.1.14 In which age group do you think there will be the most demand for self-pay? 70

3.2 Research outputs: Google Trends (UK) research 71
3.2.1 Cataract surgery 71
3.2.2 Hip replacement 73
3.2.3 Knee replacement 74
3.2.4 Hernia repair 75
3.2.5 MRI Scanning 76

4. MARKET INSIGHT 79
4.1 Clinical drivers 79
4.2 Private medical insurance 82
4.3 Affordability 82
4.4 The NHS 84
4.5 The wider economy 85
4.6 Consumer focus 86
4.8 Quality 88

5. **PRICE COMPARISONS** 91
5.1 Pricing for self-pay procedures 94
   5.1.1 Prostate surgery 96
   5.1.2 Hip replacement 98
   5.1.3 Shoulder surgery 99
5.2 Calculating the percentage difference for average treatment prices 101
5.3 NHS pricing for self-pay procedures 101
5.4 Pricing for cosmetic surgery procedures 102

6. **MAJOR PROVIDER SCHEMES AND FINANCE OPTIONS** 107
6.1 Comparison of fixed price schemes from major providers 108
   6.1.1 Nuffield Health 110
   6.1.2 Circle Health 110
   6.1.3 Spire Healthcare 111
   6.1.5 Ramsay Health Care 111
6.2 Third-party administrators 113
6.3 Patient acquisition and treatment sourcing services 112
6.4 Comparison of finance schemes from major providers for self-pay and cosmetic surgery patients 115

7. **THE PATIENT PERSPECTIVE** 117
7.1 PHIN’s perspective 120

8. **THE FUTURE OF SELF-PAY** 123
8.1 The views of influencers and opinion leaders 124
8.2 New players attracted to the self-pay market 125
   8.2.1 Online and app-based services 126
   8.2.2 Private GP services 126
8.3 The role of clinical innovation 128
8.4 Demographics 128
8.5 The role of effective marketing and engagement 130
8.6 Quality as a driver 131
