LIST OF TABLES	VII
LIST OF FIGURES	IX
EXECUTIVE SUMMARY AND HIGHLIGHTS	1
1. THE RESEARCH IN CONTEXT	17
1.1 Recent trends in private healthcare	17
1.2 Provider market shares	21
1.3 Recent trends in the private medical cover	25
1.4 Private practice fee income	27
1.5 Overview of the UK self-pay market	37
1.5.1 The regional picture	43
1.6 The cosmetic surgery market	45
1.6.1 Cosmetic surgery key findings	45
1.6.2 Cosmetic surgery growth drivers	46
1.6.3 Hair restoration surgery	47
1.6.4 International medical travel	48
1.6.5 Marketing cosmetic surgery	49
1.6.6 UK comparison with global trends in cosmetic surgery	55
1.6.7 The gender difference	55
1.6.8 Cosmetic surgery demand and supply including regional variation	56
2. MARKET	57
2.1 The role of the private medical insurers	57
2.2 The role and impact of today's NHS	58
2.3 Moves by major acute providers and others	69
2.4 The role of third-party administrators	71
2.5 The role of finance providers	72
2.6 Regulation and oversight	72
2.6.1 Care Quality Commission developments for independent acute hospitals and clinics	73
2.6.1.1 CQC and the cosmetic market	75
2.6.1.2 CQC review of cosmetic providers 2019	77
3. SURVEY AND RESEARCH ANALYSIS	79
3.1 Survey feedback and responses	80
3.1.1 What percentage of your total admissions (inpatient and day case) is self-pay?	80
3.1.2 Movement in the percentage of self-pay admissions over the last 12 months	80
3.1.3 Factors affecting the number of self-pay admissions during 2023	81
3.1.4 Inclusive components of your self-pay fixed-price surgery scheme	81

3.1.5	Percentage of patients with needs or risk factors requiring a change to the published fixed price	82
3.1.6	The impact of PHIN on informing and influencing patient choice	82
3.1.7	The impact of PHIN on driving quality and outcomes of care	83
3.1.8	The impact of PHIN on your business and the self-pay market in the future	83
3.1.9	Proportion of marketing budget allocated to the promotion of self-pay surgery?	84
3.1.10	Marketing and promotional activities likely to be used in the next 12 months	84
3.1.11	The most effective marketing and promotional activities	85
3.1.12	Prospects for the self-pay market over the next three years	85
3.1.13	Most important factors affecting the self-pay market over the next three years	86
3.1.14	Demand for self-pay by age group	86
3.2	Research outputs: Google Trends (UK) research	87
3.2.3	Knee replacement	90
3.2.4	Hernia repair	92
3.2.5	MRI Scanning	93
3.2.6	Breast surgery vs. boob job	94
4.	MARKET INSIGHT	97
4.1	Clinical drivers	97
4.2	Private medical insurance	100
4.3	Affordability	101
4.4	The NHS	103
4.5	The wider economy	104
4.6	Consumer focus	105
4.7	Other factors	106
4.8	Quality	107
5.	PRICE COMPARISONS	109
5.1	Pricing for self-pay procedures	114
5.1.1	Prostate surgery	115
5.1.2	Hip replacement	117
5.1.3	Emerging trends	118
5.2	Calculating the percentage difference for average treatment prices	119
5.3	NHS pricing for self-pay procedures	119
5.4	Pricing for cosmetic surgery procedures	120
6.	MAJOR PROVIDER SCHEMES AND FINANCE OPTIONS	125
6.1	Comparison of fixed price schemes from major providers	126
6.1.1	Nuffield Health	128
6.1.2	Circle Health	128
6.1.3	Spire Healthcare	129

6.1.4	Ramsay Health Care	129
6.1.5	Practice Plus Group	130
6.2	Third-party administrators	130
6.3	Patient acquisition and treatment sourcing services	130
6.4	Comparison of finance schemes from major providers for self-pay and cosmetic surgery patients	132
7.	THE PATIENT PERSPECTIVE	133
7.1	The role of PHIN	137
8.	THE FUTURE OF SELF-PAY	139
8.1	The views of influencers and opinion leaders	140
8.2	New players attracted to the self-pay market	141
8.2.1	Online and app-based services	142
8.2.2	Private GP services	142
8.3	The role of clinical innovation	143
8.4	Demographics	144
8.5	The role of effective marketing and engagement	147
8.6	Quality as a driver	149
	APPENDIX 1. GLOSSARY	153
	APPENDIX 2. REGULATORS	157
	APPENDIX 3. TRADE BODIES AND ASSOCIATIONS	159
	APPENDIX 4. MAJOR INDEPENDENT HEALTHCARE PROVIDERS	161
	APPENDIX 5. PRIVATE PROVIDERS DETAILS PRICING AND COMPARISONS	185
	APPENDIX 6. FINANCIAL APPENDIX	213

Print - Online - Digital - Mobile

Healthcare Markets is the leading journal covering the UK independent healthcare sector. Drawing upon LaingBuisson's unique data, the title combines high-quality journalism with in-depth analysis and contributions from key industry associations and sector experts. Digital and print subscriptions include access to an online archive dating back to 1998.

For further information on these titles visit laingbuissonnews.com where you can sign up for a trial, or contact our account managers on sales@laingbuisson.com or +44 (0)20 7841 0045

*Independent.
Intelligent.
Insightful.*

- Ten print editions** - delivered through the year
- News insight** - taking stories beyond the headlines
- In depth features** - written by authors with a deep understanding of the markets
- Interviews** - with leading healthcare figures
- Unique data tables** - presenting LaingBuisson figures on market sizes
- Special supplements** - including roundtable reports, cost surveys, infographic posters
- Online archive** - news and features dating back well over a decade
- News e-alerts** - delivered to your inbox

Additional subscriber benefits

- Early registration window** for LaingBuisson conferences and seminars, with fixed 'early bird' rate
- 5% discount** on all additional LaingBuisson product or event purchases made throughout your subscription

Subscribe now

Subscribe to a single printed hard copy title for just **£499** a year, or upgrade to receive print and digital copies for **£749***, or take out a subscription to both **Healthcare Markets** and **Care Markets** and pay just **£749** for print and **£999*** for the digital package.

Company-wide subscription packages also available including multiple print copies and online subscription accounts - call to discuss prices.
