

TABLE OF CONTENTS

FOREWORD	iii
SPONSORS' FOREWORD	v
LIST OF TABLES	xv
LIST OF FIGURES	xviii
HIGHLIGHTS & EXECUTIVE SUMMARY	1
1. MARKET	15
1.1 Definition and scope	15
1.2 Data sources	15
1.3 Market size	16
1.4 Segmentation	17
1.4.1 Supply side segmentation	17
1.4.2 Segmentation by client type	17
1.4.3 Dementia	18
1.4.3.1 Major care home operators' focus on dementia care	19
1.4.3.2 Emergence of 'full-service' dementia care providers	20
1.4.3.3 Segregated or non-segregated care homes for people with dementia	20
1.4.3.4 Antipsychotic medication and non-pharmacological alternatives	21
1.4.3.5 Quality of dementia care services	21
1.4.3.6 Dementia fee premium	21
1.4.3.7 National Dementia Strategy	21
1.4.4 Premium priced homes	23
1.4.5 Respite care	26
1.4.6 Intermediate care	27
1.4.7 End of Life Care	29
1.5 Funding by payor type	30
1.6 Growth	31
1.6.1 Growth by provider sector	31
1.6.1.1 Market value	31
1.6.1.2 Market capacity and volume of demand	32
1.6.2 Growth by source of funding	35
1.6.2.1 Market value	35
1.6.2.2 Market volume	36
1.6.2.3 Trends in numbers of independent sector homes and capacity per home	39
1.6.3 Future growth	40
1.7 Demand drivers	40
1.7.1 Age-specific demand	41
1.7.2 Population ageing	41
1.7.3 Further commentary on demographic issues	44

1.7.3.1	Changes in families' willingness to provide informal care	44
1.7.3.2	Dementia	46
1.7.3.3	Compression of morbidity	47
1.7.4	Financial resources – public funding	48
1.7.5	Financial resources – private pay	48
1.7.5.1	Ability to pay from income	49
1.7.5.2	Ability to pay from assets - home ownership	49
1.7.5.3	Value of property assets	51
1.7.5.4	Robustness of residential property values	51
1.7.6	Counter drivers of care home demand	52
1.7.6.1	Housing with care	52
1.7.6.2	Live-in homecare	52
1.8	Demand and supply	52
1.8.1	Historical trends in volume of demand and capacity	53
1.8.2	Balance between nursing and residential care	54
1.8.3	Shift in public sector demand down the care continuum	58
1.8.4	Local authority demand	59
1.8.5	Self-pay demand	60
1.8.6	NHS-funded demand	61
1.8.7	Occupancy rates	61
1.8.8	Occupancy rates by region	65
1.8.9	Openings and closures	65
1.8.10	Index of supply by region	68
1.8.11	Key indicator regional variation	70
1.9	Staffing	85
1.9.1	Workforce statistics from Skills for Care	86
1.9.2	Will labour availability constrain future expansion of supply?	88
1.10	Key operational metrics	91
1.10.1	Operating costs	91
1.10.1.1	Payroll costs	98
1.10.1.2	Non-staff current costs and repairs and maintenance	102
1.10.1.3	Corporate overheads	102
1.10.1.4	Capital costs	103
1.10.2	Fees	103
1.10.2.1	Components of composite average fees	105
1.10.2.2	Council-paid fee rates	107
1.10.2.3	Fee trends	108
1.10.3	Occupancy rates	110
1.11	Operating and investment models	111
1.11.1	Operating models	111
1.11.2	Investment models	114
1.12	Performance measures	114

1.12.1	Profitability metrics	114
1.12.2	Historical profitability (EBITDARM, at home level, reported by securitised portfolios)	114
1.12.3	Operating profit margins	116
1.12.4	Quality performance	118
1.12.4.1	Incentives to perform well on CQC fundamental standards	119
1.12.4.2	Does size matter?	120
1.12.4.3	Scotland – rejection of overall ratings	120
1.12.4.4	Wales – no ratings	121
1.12.4.5	Customer satisfaction	121
2.	GOVERNMENT POLICY AND REGULATION	125
2.1	Historical background: emergence of the independent sector as the dominant supplier of social care services from the late 1970s	125
2.1.1	Expansion of the independent care home sector triggered by income support from late 1970s	127
2.1.2	Contraction of the care home sector following the 1993 community care reforms	128
2.1.3	Benign financial environment 2003-2009	128
2.1.4	Austerity 2011/12 –	129
2.1.5	Why did outsourcing of social care become mainstream so rapidly	129
2.2	Political consensus on social care – other than funding issues	130
2.2.1	Comprehensive long-term care funding settlement – absence of political consensus	130
2.3	Sustainable long-term care funding? – prospects for the next five years from the perspective of operators and investors	131
2.3.1	Background – market polarisation and private pay premiums	132
2.3.2	How much more public money is required for a sustainable social care system?	132
2.3.3	Is there a credible mechanism for an upturn in the business cycle for publicly funded care homes?	133
2.3.4	What can councils do to avert a capacity crisis?	134
2.4	The as yet unresolved issue of how to share long-term care funding between the state and the individual	134
2.4.1	Long-term care funding – Labour administration 1997-2010	135
2.4.2	Long-term care funding – Coalition government 2010-2015	135
2.4.3	Long-term care funding – Conservative government 2015–17	137
2.4.3.1	Alarm over the prospect of market destabilisation following the Care Act funding reforms	137
2.4.4	Long-term care funding – Conservative government 2017-	139
2.5	Other legislation and policy issues	139
2.5.1	Partnership and integration between health and social services	139
2.5.1.1	Integration moves to the top of the health and social care policy agenda	140
2.5.1.2	History – removal of legal barriers to integration	141
2.5.1.3	Scotland	141
2.5.2	Care Trusts	142
2.5.3	Delayed transfers of care	143

2.5.4	Personalisation & self-directed care: direct payments and personal budgets	144
2.5.5	Intermediate care	147
2.5.6	NHS-Funded Nursing Care (formerly Registered Nursing Care Contribution – NHS FNC)	148
2.5.6.1	History and further information on NHS-funded nursing care	150
2.5.6.2	Scotland NHS-funded nursing care	151
2.5.6.3	Wales NHS-funded nursing care	152
2.5.6.4	Northern Ireland NHS-funded nursing care	152
2.5.7	Capital disregards	152
2.5.8	Transfer of preserved rights and residential allowance funding to local authorities	152
2.5.9	Charges for publicly funded non-residential care services	153
2.5.10	Eligibility rules for publicly funded care services	153
2.5.10.1	Former FACS framework	153
2.5.10.2	National eligibility threshold	153
2.5.11	NHS continuing healthcare eligibility criteria	154
2.5.12	The Care Act 2014	154
2.5.12.1	General responsibilities of local authorities	155
2.5.12.2	Market shaping – duty to promote diversity and quality and to ensure market sustainability	155
2.5.12.3	Assessment of need and eligibility criteria	156
2.5.12.4	Cap on care costs and raising the upper capital limit to £118,000	156
2.5.12.5	Duty of local authorities to meet needs for care and support	156
2.5.12.6	Duty to prepare personal budgets	157
2.5.12.7	Expression of preference for particular accommodation (to replace Directive on Choice)	157
2.5.12.8	‘Self-funded’ or ‘own resource’ top-ups to be permissible in some circumstances	157
2.5.12.9	Deferred payments	157
2.5.12.10	Provider failure, market oversight and light touch financial regulation	158
2.5.12.11	Transfer of assets to avoid charges.	159
2.5.12.12	Contracting out of core local authority functions	159
2.5.13	National Service Framework for Older People and the single assessment process	159
2.5.14	Best Value and continuing withdrawal of councils from in-house provision	160
2.5.15	Human rights protection for residents of independent sector care homes	161
2.5.16	Competition law, monopoly situations and abuse of dominant position	162
2.5.17	Government policies affecting payroll costs	173
2.5.17.1	National Minimum/Living Wage	174
2.5.17.2	Statutory minimum holiday pay	177
2.5.17.3	Compulsory employers pension contributions	177
2.5.17.4	Apprenticeship levy	177
2.5.17.5	VAT staff hire concession	178
2.5.18	Central and local government funding of personal social services	178
2.5.19	Deferred payments	178

2.5.20	Rules restricting top-ups paid out of disregarded capital and income	178
2.5.21	Absence of government policy on 'fair fees' and judicial reviews of councils' fees	179
2.5.21.1	Historical context – limited effectiveness of care home lobbying of central government	179
2.5.21.2	Reasons why government is unlikely to impose mandatory fee guidance on councils	180
2.5.21.3	Judicial reviews	180
2.5.21.4	Prospects for public-paid fee rates	182
2.5.22	Central and regional initiatives to promote procurement efficiency	183
2.5.23	Weakness of care sector trade bodies	184
2.5.24	Quality measures and consumer information	184
2.5.25	Brexit	185
2.5.26	Competition and Markets Authority enquiry into care homes	185
2.5.26.1	Consumer protection	186
2.5.26.2	Public funding	186
2.5.26.3	The government's response to the CMA report	188
2.6	Regulation of social services	188
2.6.1	Underpinning legislation in England – Health and Social Care Act 2008	188
2.6.1.1	Fundamental Standards	188
2.6.2	Scotland, Wales and Northern Ireland	189
2.6.3	Scope of regulation – services covered and not covered in England	189
2.6.4	Next phase of regulation	191
2.6.5	History of the last decade and a half: deregulation accompanied by tougher enforcement	191
2.6.5.1	Government <i>volte-face</i> at high point of prescriptive regulation in 2002	191
2.6.5.2	Replacement of National Minimum Standards with less prescriptive Essential Standards	192
2.6.5.3	Essential Standards of Quality and Safety 2010-2014 – abandoned following mid-Staffordshire	192
2.6.5.4	Fundamental Standards of Quality and Safety 2014 -	193
2.6.6	Risks to providers from breaches of regulations and Fundamental Standards	193
2.6.6.1	Stronger enforcement powers	193
2.7	Profile of regulators	194
3.	PAYORS	195
3.1	Customer profiles	195
3.1.1	Age and gender	195
3.1.2	High needs	196
3.1.3	Socio-economic profile	197
3.1.4	Length of stay and expectation of life	197
3.1.5	Underdeveloped marketing function	198
3.2	Payor trends	198
3.3	Public sources of finance – local authorities	198
3.3.1	Financial environment	200

3.3.1.1	Sources of local authority resources	201
3.3.1.2	History, from a benign financial environment in the mid-2000s to post-crash austerity	201
3.3.1.3	The 'golden' period in the mid-2000s	201
3.3.1.4	Post-crash government austerity	201
3.3.1.5	Social care funding decisions in England since 2016/17	203
3.3.1.6	Future prospects for public sector social care funding in England	204
3.3.2	Commissioning dynamics	205
3.3.2.1	Monopsony power of local authorities	205
3.3.2.2	Fragmentation of local commissioning	207
3.3.2.3	Tariff prices rather than fees based on dependency	208
3.3.2.4	Spot purchasing rather than block purchasing or tenders	208
3.3.2.5	Market shaping	208
3.4	Public sources of finance – the NHS	209
3.4.1	Possible future 'sub-acute' purchasing by the NHS from the independent sector	211
3.5	Private payers	211
3.5.1	Asymmetry of market power in favour of providers	211
3.5.2	Private pay market size	211
3.5.3	Local variations in private pay penetration	212
3.5.4	Differentials between publicly paid and privately paid fees	212
3.5.5	Cross subsidisation?	216
3.6	Long-term care insurance and other LTC financial products	217
3.6.1	History	217
3.6.2	Insurance industry response to Dilnot	218
3.6.3	Absence of intermediation in privately funded older care services	219
3.6.4	Immediate care plans	219
3.6.5	The demise of pre-funded LTC Insurance	219
3.6.6	LTC insurance market size in the UK	220
3.6.7	Equity release	221
3.6.8	Pensions	221
4.	MAJOR PROVIDERS	223
4.1	Market concentration	223
4.2	Group penetration	223
4.2.1	Market leaders by value	223
4.2.2	Market leaders by capacity	224
4.2.3	Small business segment	227
4.3	Segmentation by provider sector, registration type and size of home	228
4.4	Exits (including business failures & recapitalisations) and entries	231
4.4.1	Exits	231
4.4.1.1	Company-level exits (including business failures and recapitalisations)	231
4.4.1.2	Home-level exits	233
4.4.2	Entries	234

4.4.2.1	Company-level entries	234
4.4.2.2	Home-level entries	235
4.4.3	Barriers to entry	235
4.5	Economies of scale and scope	235
4.5.1	At the home level	235
4.5.2	At the ownership level – cost structures of corporate and owner-managed homes	236
4.6	Brand value	237
4.7	Sources of capital	238
4.8	Scale, age and quality of stock	238
4.8.1	Slow trend towards increased scale	238
4.8.2	Age and quality of UK care home stock	240
4.8.2.1	Age and purpose-built status	240
4.8.2.2	Single rooms and en-suite facilities	241
4.9	Pace of modernisation	241
5.	INVESTORS	243
5.1	Returns sought by investors	243
5.2	Sources of capital for investment	243
5.2.1	Debt	243
5.2.1.1	Bank debt	243
5.2.1.2	Bonds	243
5.2.1.3	Private equity	244
5.2.1.4	Islamic funding	245
5.2.2	Leased assets	245
5.2.2.1	US REITs	247
5.2.2.2	UK financial institutions	248
5.3	Transactions and exit multiples	248
6.	MARKET POTENTIAL	257
6.1	Alternative care home models	257
6.2	Digital technologies	257
6.3	International dimension of care home operation	259
	APPENDIX 1. GLOSSARY	261
	APPENDIX 2. KEY LEGISLATION	265
	APPENDIX 3. REGULATORS	267
	APPENDIX 4. MAJOR PROVIDER PROFILES	269
	APPENDIX 5. TRADE ASSOCIATIONS	291
	APPENDIX 6. FINAL CONCLUSIONS OF THE CMA'S INVESTIGATION INTO CARE HOMES (INCLUDING NURSING HOMES) FOR THE ELDERLY	295
	APPENDIX 7. FINANCIAL APPENDIX	299

LIST OF TABLES

Table 1.1	Volume and annualised value of care services for older people (65+) in residential settings by provider sector, UK 31 March 2019	16
Table 1.2	Market value by provider sector, nursing, residential and long stay hospital care of older people and people with dementia (65+), £m, UK, annualised at 31 March 1990-2019	32
Table 1.3	Capacity (beds) for care in residential settings for older people (65+) by provider sector and type of care (nursing or residential), UK, 1970-2019	34
Table 1.4	Sources of finance for residents of independent sector (for-profit and not-for-profit) care homes for older people and dementia (65+), UK 2007-2019	38
Table 1.5	Care homes for older people and people with dementia, independent sector (for-profit and non-profit) registered homes, bed capacity and mean capacity per home, UK, 2005-2019	39
Table 1.6	Age-specific usage rate for care in residential settings: percentage of people aged 65 and over living in residential settings across all provider sectors including long-stay NHS, UK 2019	41
Table 1.7	Trends in older population numbers by ten-year age bands, UK 1901-2111	41
Table 1.8	Gross weekly income distribution of older households in Great Britain 2017/2018	49
Table 1.9	Owner occupation penetration (owned outright and buying with mortgage) by age of household head and region, England 2015/16	50
Table 1.10	Volume of demand (occupied beds) and capacity (registered beds) for older people and people with dementia (65+) in residential settings in for-profit, not-for-profit and public sector provision combined, UK 1990-2019 (000s)	54
Table 1.11	Reconciliation of occupancy rates measured by reference to registered and available or 'effective' beds - Four Seasons Health Care, calendar 2018	64
Table 1.12	Average occupancy rates (occupied beds divided by registered beds) by region in for-profit and not-for-profit care homes for older people and dementia (65+), England 2019	65
Table 1.13	Components of net change in BED CAPACITY in registered homes (independent and public sector) for older people and dementia (65+), UK 2008-2019	67
Table 1.14	Components of net change in NUMBERS OF REGISTERED HOMES (independent and public sector) for older people and dementia (65+), UK 2008-2019	68
Table 1.15	Index of supply of care home capacity for older people and dementia (65+) by standard region, 2019 all sectors, UK = 1.00	69
Table 1.16	Capacity changes by region between March 2018 and March 2019, independent sector (for-profit and not-for-profit) care homes for older people and dementia (65+)	69
Table 1.17	Estimated full-time equivalent (FTE) staff and staff costs in care homes for older people and dementia (65+), UK 2019/20 projections	85

Table 1.18	Estimated market value of supply of agency staff to registered care homes, UK 2019/20	85
Table 1.19	Pro forma cost structures for nursing care, residential care and residential care (dementia) in an efficient, larger scale (50 bed plus) for-profit care home for older people with an 'intermediate' specification of 50m ² per resident including communal areas, England 2019/20 (£ per resident per week)	92
Table 1.20	Rostered staff benchmarks (hours per resident per week) for UK care homes of an efficient scale (25+ beds) for older people, hours per resident per week 2002-2019 (excludes management, administration and reception staff)	99
Table 1.21	Average weekly fees – for-profit homes for older people and dementia (65+), UK 1997/98 to 2019/20 (public and private payers combined)	104
Table 1.22	Average weekly fees – for-profit homes for older people and dementia (65+), UK 2018/19 by region (public and private payers combined)	105
Table 1.23	Average occupancy rate reported for major providers of care homes for older people and dementia	110
Table 1.24	Latest available (2018) full year financial results of the largest operators of care homes for older people in the UK, £000s	116
Table 1.25	Fundamental Standards – performance of English care homes for older people and dementia (65+), snapshot at August 2019 by provider sector	119
Table 1.26	Overall satisfaction of local authority funded social care service users by type of service received, England 2017/18	122
Table 2.1	Selected unit cost differentials: outsourced versus local authority in-house provision of social care services, gross of SSMSS council overheads, England 2017/18	129
Table 2.2	Indicative potential cost to the public sector of increasing local authority fees for older (65+) care home residents of independent sector homes to levels sufficient to reimburse reasonable capital and current costs, taking account of the distribution of physical environment standards in existing care home stock, England 2018/19	133
Table 2.3	Direct payments and self-directed care, people using services commissioned by English councils during 2017/18	145
Table 2.4a	Concentration of local markets, share of capacity held by leading four providers of NURSING HOMES for older people (65+) and dementia, UK 2019	162
Table 2.4b	Concentration of local markets, share of capacity held by leading four providers of RESIDENTIAL HOMES for older people (65+) and dementia, UK 2019	167
Table 2.5	National Minimum Wage (NMW) and National Living Wage (NLW) rates 1999-2019 and projection to 2020, £ per hour	175
Table 3.1a	Age and gender profile of the care home population, older or physically disabled people, UK 2006	195

Table 3.1b	Gender and marital status profile of the care home population aged 65+, England and Wales 2011	195
Table 3.2	Census of Bupa care home residents, prevalence of some conditions UK 2003-2012	196
Table 3.3	Self-pay percentage of residents in independent sector care homes for older people and dementia (65+), UK by region three-year average (2016/17 – 2018/19)	212
Table 3.4	Evidence of fee differentials between private payers and council funded care home residents in homes for older people and dementia (65+) owned by a sample of care home groups operating in 12 English counties in 2015	214
Table 3.5	Average fee levels and price differentials by region, 2016	214
Table 3.6	Average fee levels and price differentials by proportion of council funded residents, CMA research 2016	215
Table 4.1	Market concentration (share controlled by the four largest providers) in different segments of the UK independent health and social care services sector	223
Table 4.2	Top ten market leaders by value of care services for older people, UK 2018-19	224
Table 4.3	Top 25 (by capacity) independent sector (for-profit and not-for-profit) providers of care homes older people and dementia (65+), UK August 2019	225
Table 4.4	Segmentation of capacity by provider sector (for-profit and not-for-profit) and group penetration of each segment, care homes for older people and dementia (65+), UK 31 March 2019	228
Table 4.5	Segmentation of registered care home capacity for older people and dementia (65+) by provider category, registration type and size of home, UK, 31 March 2019	229
Table 5.1	Private equity (broadly defined) owners of older people's care home groups, snapshot as at August 2019	245
Table 5.2	Aggregate turnover and lease rental payments reported by care home groups for older people and dementia (65+) which have reported full accounts to Companies House, by accounts year end	246
Table 5.3	Health and care service deals with an enterprise value of £50m plus, 2005 – 2019	250

LIST OF FIGURES

Highlights Figure 1	Trends in market value by payor group, care in residential settings for older people and people with dementia (65+), £ million, UK, annualised at March, 2007-2019	1
Highlights Figure 2	Share of bed capacity owned or leased by a) the ten largest independent sector care home groups and b) all groups with three or more homes – care homes for older people and dementia (65+), UK 1992-2019	2
Figure 1.1	Annualised value of care services for older people (65+) in residential settings by provider sector, UK 31 March 2019, £ million	17
Figure 1.2a	Segmentation of independent sector market value into frail older and dementia clients, UK year ending March 2019, £ million	18
Figure 1.2b	Numbers and annual costs of older people (65+) with three different definitions of dementia in care homes and NHS long-stay residential settings, UK all sectors combined 2019.	19
Figure 1.3	Market share by source of funding in VOLUME terms, residents in independent sector (for-profit and not-for-profit) care homes for older people and dementia (65+), UK March 2019	30
Figure 1.4	Market share by source of funding in VALUE terms, annual revenue of independent sector (for-profit and not-for-profit) care homes for older people and dementia (65+), £ million UK March 2019	30
Figure 1.5	Trends in addressable market value of care in residential settings by provider sector, care of older people and people with dementia (65+), UK annualised value 2005-2019	31
Figure 1.6	Capacity (beds) for care in residential settings for older people (65+) by provider sector and type of care (nursing or residential) and total occupied beds, UK 1967-2019	33
Figure 1.7	Trends in market value by payor group (self-pay and state-pay), nursing, residential and long-stay hospital care of older people and people with dementia (65+), £ million UK annualised at March, UK 2007-2019	36
Figure 1.8	Trends in market volume by payor type, nursing, residential and long-stay hospital care of older people and people with dementia (65+), £ million UK annualised at March, UK 2007-2019	37
Figure 1.9	Share of council-supported residents in receipt of third-party top-ups, for-profit and not-for-profit care homes for older people and dementia (65+), three-year moving annual averages, UK 2007-2019	37
