

TABLE OF CONTENTS

FOREWORD	iii
LIST OF TABLES	v
LIST OF FIGURES	xxi
EXECUTIVE SUMMARY AND HIGHLIGHTS	1
1. MARKET	19
1.1 Introduction	19
1.1.1 Activity trends	21
1.1.2 Improving outcomes	23
1.1.3 Covid-19 impact on children in care volumes	24
1.1.4 Government policy overview	25
1.1.5 The future	32
1.1.6 Post-Covid policy	33
1.1.7 Conclusion	34
1.2 UK estimates and projections	35
1.3 The UK GDP deflator	36
1.4 Gross spending on children and young people’s social care in England	38
1.4.1 Gross spending trends in recent years	38
1.4.2 Prospects for spending on children’s social care going forward	40
1.4 MARKET SUB-SECTORS	43
A. SPECIAL EDUCATION	43
A.1 Introduction, definitions and Covid-19 pandemic	43
A.2 Pupils attending, and spending, on special schools and special colleges	44
A.3 Reforms of the Children’s and Families Act 2014	49
A.4 Demand for special education in schools	52
A.4.1 EHC Plan/Statemented demand	52
A.4.2 EHC Plans/Statements in Independent Schools	54
A.4.3 Regional share of EHC Plans/Statements	56
A.4.4 Special educational needs profile in special schools	57
A.4.5 Special education for school pupils without EHC Plans/Statements	58
A.4.6 UK special education demand estimates	60
A.4.7 Demand for post-16-year-old special education	61
A.5 Future demand drivers for independent sector special schools and special colleges	63
A.5.1 Population growth	63

A.5.2	Prevalence of special educational needs and ‘high needs’	64
A.5.3	Incidence of EHC Plans	64
A.5.4	Parental/student right to request an educational facility (mainstream vs specialist education and public sector vs independent sector)	65
A.5.5	Local authority high needs education budgets	65
A.6	Sources of funding for special needs education	68
A.6.1	High needs funding streams (public sector, England)	68
A.6.2	Recent high needs funding trends	69
A.6.3	Future prospects for high needs funding	71
A.7	Special school fees	73
A.8	Supply of special schools and special colleges	73
A.8.1	Special school and college supply in England	73
A.8.2	Occupancy trends for special schools and colleges	74
A.8.3	Relative market power of purchasers and providers	76
A.8.4	Regional variations in supply of independent sector special education	76
A.8.5	New independent special school and college capacity	76
A.8.5.1	Special schools	76
A.8.5.2	Special colleges	78
A.8.6	Quality Ratings	79
A.9	Regulatory/inspection changes in England	79
B.	FOSTER CARE	83
B.1	Profile of children in foster care	83
B.2	Demand for foster care	84
B.2.1	Recent demand trends	84
B.2.2	Fostering by sector	86
B.2.3	Regional fostering trends	86
B.3	Supply of fostering services	88
B.4	Spending on foster care	92
B.5	Foster care prices	94
B.6	Government policy on foster care and future trends	96
B.6.1	Promoting longer-term fostering arrangements	98
B.6.2	Pool of foster carers	99
B.6.3	Spending, prices, profitability and commissioning	100
B.6.4	Independent sector share and a level playing field	101
B.6.5	Service diversity and outsourcing partnerships	102
B.6.6	Quality	103

C.	ADOPTION	105
	C.1 Adoption demand trends	105
	C.1.1 Recent demand trends	105
	C.1.2 Adoptions by age	109
	C.2 Adoption supply	109
	C.3 Spending on adoption services	112
	C.4 Government policy on adoption and future trends	112
D.	CHILDREN'S RESIDENTIAL CARE	117
	D.1 Profile of children in children's residential care	117
	D.2 Demand for children's residential care	117
	D.3 Average stay and placement stability	121
	D.4 Supply of children's homes (registered children's homes, secure children's homes, and residential special schools (open all year))	121
	D.4.1 Regional supply	123
	D.5 Spending on children's residential care	125
	D.6 Children's residential care prices	126
	D.6.1 Average children's residential care prices	126
	D.6.2 Price movement over time	128
	D.6.3 Pricing structure	129
	D.7 Future trends and issues for children's residential care	130
	D.7.1 Future demand and increased outsourcing	131
	D.7.2 Spending and prices	131
	D.7.3 Sufficiency duty	132
	D.7.4 Smarter commissioning and commissioning efficiencies	133
	D.7.5 Benchmarking commissioning prices (Fair Price for Care)	135
	D.7.6 Quality	136
	D.7.7 New areas of demand	137
	D.7.8 Primary resource, not last resort	139
	D.7.9 Unregulated Settings and Children's Home definition	140
E.	OTHER CHILDREN'S AND YOUNG PEOPLE'S SERVICES	141
	E.1 Leaving care support services	141
	E.1.1 Leaving care demand trends	141
	E.1.2 Spending on leaving care services	141
	E.1.3 Government policy on leaving care services and future trends	142
	E.2 Safeguarding – social work, commissioning and strategy, and local safeguarding support	147

E.2.1	Social services referrals, children in need and Child Protection Plans (CPPs)	147
E.2.2	Spending on safeguarding	149
E.2.3	High usage of agency social workers	150
E.2.4	Outsourced/delegated social work activities	150
E.2.4.1	Independent Children's Trusts	152
E.2.4.2	Financial performance	155
E.2.4.3	Improvement monitoring	155
E.3	Other children and young people's services	156
2.	INSPECTION AND REGULATION IN CHILDREN'S CARE AND PROTECTION	159
2.1	Quality and regulatory overview in England	159
2.1.1	Impact of Covid-19	161
2.2	Regulatory overview in Wales	161
2.2.1	The Regulation and Inspection of Social Care (Wales) Act	161
2.2.2	The Social Services and Wellbeing (Wales) Act 2014	161
2.3	Regulatory overview in Scotland	162
2.4	Regulatory overview in Northern Ireland	162
2.5	Quality ratings and provider risk in England	163
2.5.1	Independent sector children's homes	163
2.5.2	Fostering agencies	166
2.5.3	Adoption agencies	166
2.5.4	Local authority children's services	166
2.6	Future regulatory and inspection developments for children's care and wider children's services	168
3.	PAYORS	173
3.1	Children's and young people's services	173
3.2	Special (high needs) education	173
4.	MAJOR PROVIDERS	175
4.1	Overview of major providers	175
4.1.1	Integrated services and the pyramid of children and young people's services	175
4.1.2	Differentiation of services	178
4.1.3	Sector ownership	180
4.1.4	Concentration of major providers	180
4.2	Market leaders	183
4.3	Growth and consolidation of major providers	186
4.3.1	Organic Growth	187

4.3.3	Future growth	192
4.4	Financial profile	192
4.4.1	Profitability (for-profit companies)	192
4.5	Review of major providers	196
5.	INVESTORS	197
5.1	Investment activity	197
5.2	Valuations	198
5.3	Historical activity	200
5.3.1	Priory Group	200
5.3.2	Cambian	201
5.3.3	Kisimul Group	201
5.4	List of UK children's care and special education major equity investors	202
5.4.1	Antin Infrastructure Partners	202
5.4.2	Ardenton	202
5.4.3	Ashridge Capital	202
5.4.4	August Equity	203
5.4.5	Bridges Fund Management	203
5.4.6	CapVest	203
5.4.7	Charme Capital Partners	204
5.4.8	G Square Healthcare Private Equity	204
5.4.9	Graphite Capital	204
5.4.10	Stirling Square Capital Partners	205
5.4.11	Waterland Private Equity Investments	205
6.	MARKET POTENTIAL	207
	APPENDIX 1. GLOSSARY	211
	APPENDIX 2. TERMINOLOGY	215
	APPENDIX 3. UK GDP DEFLATOR	217
	APPENDIX 4. BIBLIOGRAPHY	219
	APPENDIX 5. REGULATORS	221
	APPENDIX 6. TRADE BODIES AND ASSOCIATIONS	223
	APPENDIX 7. MAJOR PROVIDERS	225

LIST OF TABLES

Table 1.1	Number of children in care (looked after children), UK, 2006–2019, and number of care applications received by CAFCASS, England, 2009/10–2019/20	22
Table 1.2	Children in care (looked after children) as a % of the under 18-year-olds population by region, and growth in under 18-year-olds penetration by region, 2014 and 2019	23
Table 1.3	Children and young people’s social care services ¹ and special education spending (market value) in England, 2018/19 (2019/20 projection), and in the UK, 2018 (2019 projection)	36
Table 1.4	Gross spending on local authority children and young people’s services (excluding children’s centres and early years), annual real growth, and real expenditure index, England, 2010/11–2018/19	38
Table 1.5	Share of children and young people’s services spending by service type, England, 2013/14 and 2018/19	40
Table A.1	Pupils attending and spending (market value) on special schools and special colleges by sector in England, March 2020 ² , and UK whole market spending estimate, 2019	47
Table A.2	Number of pupils with Statements of Special Educational Needs/EHC Plans by school sector, England, January 1995–January 2020	54
Table A.3	Number of pupils with EHC Plans/Statements of Special Educational Needs in independent special schools, England, January 2010–January 2020 (SEN2 returns and SLAC returns)	55
Table A.4	Number of pupils with EHC Plans/Statements of Special Educational Needs in independent special schools and other independent schools, England, January 2010 to January 2020	56
Table A.5	Regional (local authority) share of pupils with EHC Plans/Statements and penetration of population in independent special schools, other independent schools, and non-maintained special schools, England, 1 January 2020	57
Table A.6	SEN penetration of all school pupils– SEN pupils with EHC Plan/Statement and SEN pupils without EHC Plan/Statement – by sector, England, January 2001–January 2020	61
Table A.7	Top up and other funding for high needs education by education sector and provider type, £000s, England, 2015/16–2018/19	70
Table A.8	Number of independent special schools and special colleges and places offered by sector (for-profit and not-for-profit), by groups and non-groups, and occupancy (as implied by Department for Education’s Register of Schools and Colleges, and Ofsted), England, March 2020	75

Table A.9	Share (%) of independent special school places and special college places by region, England, March 2020	77
Table A.10	New registrations by Ofsted of independent special schools, England, 2013–2019	77
Table A.11	Distribution of Ofsted quality ratings (most recent) for independent special schools and special colleges, by for-profit/not-for-profit status	79
Table B.1	Number of children looked after in foster care in the UK and penetration of the under 18-year-olds population, UK (England, Scotland, Wales and Northern Ireland), 2010–2019	85
Table B.2	Number of children looked after by foster carers sourced by Independent Fostering Agencies (IFAs) and IFAs share of total fostered children, Great Britain (England, Scotland and Wales), 2010–2019	87
Table B.3	Share of foster placements by region – local authority agencies, independent fostering agencies and total (including penetration of under 18-year-olds), England, at 31 March 2015, and local authority agencies, England, at 31 March 2019	89
Table B.4	Foster care fill rates for local authority agencies (LAs) and independent fostering agencies (IFAs), England, 2010 - 2019	90
Table B.5	Duration of fostering placements ceasing during the year ending 31 March, England, 2014-2018	91
Table B.6	Local authority gross spending on foster care split by provider sector (independent and public), real growth and real expenditure index, England, 2009/10–2018/19, 2019/20 (projection), and UK 2013–2019 (estimates)	93
Table C.1	Adoption orders in courts, England and Wales, 1998–2019, and adoptions from care, England and Wales, 2008–2019	105
Table C.2	Number of looked after children for adoption at 31 March, Great Britain (inc. estimates for England, Scotland and Wales), 2010–2019	107
Table C.3	Children waiting to be adopted from care, and average time waiting for adoption, England, 2009–2019 R	107
Table C.4	Share of adoption orders in courts by adopted child age group, England and Wales, 2014 and 2019	109
Table C.5	The number of adoptions by leading voluntary adoption agencies, UK, 2015/16–2018/19, and England, 2013/14	110
Table C.6	Local authority gross spending on adoption services for children and young people, England, 2009/10–2018/19, 2019/20 (projection), and UK, 2013–2019 (estimates)	111
Table D.1	Number of children looked after in residential care at 31 March, UK, 2010–2019 (including estimates for England, Scotland, Wales and Northern Ireland)	118

Table D.2	Time spent in placement which ceased in children's homes (including secure units and hostels), England, 2011/12–2018/19	121
Table D.3	Children's home capacity by provider sector, England, 2005/06–2020	122
Table D.4	Children's home capacity by sector and type of home, England, 31 March 2020	123
Table D.5	Growth in children's homes and places by region, England, 31 March 2016 and 31 March 2020	125
Table D.6	Local authority gross spending on children's residential care, England, 2009/10–2018/19, 2019/20 (projection), and UK, 2013–2019 (estimates)	126
Table E.1	Number of children and young people aged 16+ leaving care (no longer looked after) and the number leaving to live independently with supportive accommodation during the year, England, 2010–2019	142
Table E.2	Local authority gross spending on leaving care support services for children and young people, England, 2009/10–2018/19, 2019/20 (projection), and UK, 2013–2019 (estimates)	143
Table E.3	Referrals to children's social services, children in need, and Child Protection Plans, England, 2005–2019	148
Table E.4	Local authority gross spending on safeguarding, England 2010/11–2018/19, 2019/20 (projection), and UK, 2013–2019 (estimates)	149
Table E.5	Local authority gross spending on other categories of children's services, real growth and real expenditure index, England, 2010/11–2018/19	157
Table 2.1	Distribution of quality ratings across independent sector children's homes, independent fostering agencies, and voluntary adoption agencies, England, 31 March 2012–2020	164
Table 2.2	Distribution of Ofsted quality ratings for independent sector (private/voluntary) children's homes and local authority children's homes, England, 31 March 2020	165
Table 2.3	Distribution of Ofsted quality ratings for independent sector (private/voluntary) children's homes subject to a full inspection, England, 31 March 2020	165
Table 2.4	Ofsted ratings for local authority children's services, England, 30 September 2016–31 March 2020	167
Table 4.1	Top 25 independent sector providers of children homes by number of homes, and top 12 independent fostering providers by volume of looked after children, UK, mid-2020 (estimates)	181
Table 4.2	Leading providers of independent special schools and colleges, top 25 in order of capacity, England, at March 2020 (pre-Covid-19)	182
Table 4.3	Leading providers of children's care and special education services by revenue, UK, 2014–2019	184

Table 4.4	Council-owned independent providers of children’s care and special education services by revenue, UK, 2014–2019	186
Table 4.5	Consolidation deals in the children’s care and special education sector, 2014-2020	189
Table 4.6	Profitability of (for-profit) leading providers of children’s care and special education – EBITDAR and pre-tax profit/loss margins, %	194
Table 5.1	Private equity investors in children’s care and special education sector – schedule of current investors, and schedule of investors in the recent past	199
Table 5.2	Ownership history of NFA 2006 - 2015	201
Table A1	Implied GDP deflator at market prices, 2000–2016 and 1999/2000–2016/17	217

LIST OF FIGURES

Figure 1.1	Trends in numbers of looked after children, England, 1995–2019, and UK, 2006–2019	19
Figure 1.2	Net change in numbers of looked after children by age group, England, 2009–2019	20
Figure 1.3	Net change in numbers of looked after children by type of placement, England, 2009–2019	21
Figure 1.4	Children and young people’s social care services and special education market values by provider sector (independent sector and public sector (‘the state’)), England, 2019/20 (projections for children’s social care services), and 2019 (estimates for special education)	37
Figure 1.5	Independent (private/voluntary) sector share of local authority children’s services spending by service type, England, 2018/19	37
Figure 1.6	Gross spending on local authority children and young people’s services (excluding Children’s Centres and Early Years) in nominal and real terms, England, 2010/11–2018/19	39
Figure A.1	Number of children with EHCPs attending education settings (daily) in England, 23 March 2020–7 July 2020	44
Figure A.2	Special school demand trends by sector (public and independent), England, 2007–2020	47
Figure A.3	Breakdown of special education by provider sector, market share by volume and value, England, 2019	48
Figure A.4	Pupils with EHC Plans/Statements of Special Educational Needs by type of school pupil is attending, England, January 1995 to January 2020	53
Figure A.5	Number of pupils in independent special schools and other independent sector schools with EHC Plans/Statements of Special Educational Needs, England, January 2016 - January 2020 (School Level Annual Census Returns)	55
Figure A.6	Pupil profile – distribution of pupils in maintained and non-maintained special schools by category of need, England, January 2020	58
Figure A.7	Distribution of pupils in maintained and non-maintained special schools by main categories of need, England, January 2010–January 2020	59
Figure A.8	SEN penetration of all– SEN pupils with EHC Plan/Statement and SEN pupils without EHC Plan/Statement – by sector, England, January 2001 – January 2020	60
Figure A.9	Share of school pupils with EHC Plans/Statements for England, Wales and Northern Ireland, 2005/06, 2010/11, 2015/16 and 2019/20	62
Figure A.10	Regional (local authority) share of pupils with EHC Plans/Statements in specialist	

	colleges, England, 1 January 2020	63
Figure B.1	Percentage share of primary placements provided by fostering households by type of household placement, England, 31 March 2019	84
Figure B.2	Children looked after in foster care at 31 March by sector of placement (IFAs and local authority in-house), England, 2009–2019	88
Figure B.3	Spending on foster care at 31 March by sector of placement, England, 2009–2019	94
Figure B.4	Average gross local authority spending (price) per looked after child placed in foster care - IFA and local authority (LA) agency (in-house), England, 2010/11–2018/19	95
Figure C.1	Court adoption orders, England and Wales, 2011 Q1 - 2020 Q1	106
Figure C.2	Number of children ceasing care (being looked after) with a special guardianship order by guardianship type, England, 2010/11 to 2018/19	108
Figure D.1	Distribution of children looked after by type of home (or equivalent), England, 31 March 2014 and 31 March 2019	119
Figure D.2	Looked after children in registered children's homes whether inside or outside council boundary, England, 31 March 2015-2019	119
Figure D.3	Children looked after in homes by provider sector, England, 2010/11–2018/19	120
Figure D.4	Share of places in children's homes by region, England, 31 March 2020	124
Figure D.5	Expenditure on children's homes by sector of placement, England, 2009/10–2018/19	127
Figure D.6	Average weekly price per looked after child in children's derived by LaingBuisson, England, 2009/10–2018/19	129
Figure 4.1	The pyramid of children and young people's services offered by independent sector providers of children's care and special education	176
Figure 4.2	EBITDAR margin (for children's services only) of largest five major providers of children's homes and special education, 2008–2019	196
Figure 5.1	Selected key providers	197
